***Allowable Subject Matter***

1. Claims 3-5 are allowed.

2. The following is an examiner's statement of reasons for allowance: The prior art of record, neither anticipates nor renders obvious the following limitations as claimed:

[Claim 3]: A signal processing circuit of an image input apparatus, comprising: "first and second register groups provided with a plurality of storage regions of the same number of bits as a unit image signal in predetermined units that is obtained by an image pickup device in said image input apparatus and arranged in two dimensions, said first and second register groups having first to fourth registers, respectively, said first to fourth registers having zero-th to third storage regions, respectively, wherein said zero-th storage regions of said first to fourth registers of said first register group are connected directly, by a predetermined connecting line, to said zero-th to third storage regions of said fourth register of said second register group, said first storage regions of said first to fourth registers of said first register group are connected directly, by a predetermined connecting line, to said zero-th to third storage regions of said third register of said second register group, said second storage regions of said first to fourth registers of said first register group are connected directly, by a predetermined connecting line, to said zero-th to third storage regions of said first register of said second register group, and said third storage regions of said first to fourth registers of said first register group are connected directly, by a predetermined connecting line, to said zero-th to third storage regions of said first register of said second register group" in combination with other claimed elements.

3. Claims 4 and 5 are deemed to avoid the prior art of record.

Art Unit: 2615

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
